

Welcome to Estia Health Taree, part of a family of our aged care homes located on the Mid North Coast of New South Wales

Estia Health Taree is a warm and welcoming home surrounded by landscaped gardens and walking paths, in a peaceful bushland setting opposite the Mayo Private Hospital. There is a bus stop at the door for the short drive to the shops and services of Taree town centre.

The experienced clinicians, carers and hospitality teams look after all aspects of a resident's care, including **clinical**, social and overall wellbeing, which can be accessed for **short-term respite care** or a **longer stay**. The home's Memory Support Unit provides a safe and supportive environment for residents requiring additional support and has its own courtyard that borders a horse paddock. The onsite Wellness Centre offers residents the opportunity to access allied services as part of their care.

Residents get involved in the home's many **activities**, making the most of the gym for exercise groups, the deck for gardening and the hairdressing salon for pampering, with regular visits from volunteers who join them for arts and crafts, reading groups or simply for a chat.
