

Welcome to Estia Health Tuncurry, part of a family of aged care homes located on the Mid North Coast, New South Wales

Estia Health Tuncurry is a welcoming home located on a residential street in the picturesque coastal town of Tuncurry, situated close to public transport and shops and a short drive to Nine Mile Beach. The home offers a choice of care and services to the local community.

The experienced clinicians, carers and hospitality teams look after all aspects of a resident's care, including **clinical**, social and overall wellbeing, which can be accessed for **short-term respite care** or a **longer stay**. The home has a Memory Support Unit to provide a safe environment for residents requiring additional support.

The home's design features separate inter-connected 'houses', each with their own lounge and dining, creating safe and intimate community spaces. There are extensive landscaped gardens for residents to enjoy and other key features include a hairdressing salon, games rooms, library and a lifestyle program that's tailored around residents' interests and hobbies, with an active Men's Shed in the local community.
