

Welcome to Estia Health Albany Creek, our aged care home located northwest of the City of Brisbane

Located in the Moreton Bay region, 20 minutes from the city of Brisbane, Estia Health Albany Creek is a friendly and comfortable place for residents to call home. Built on a single level, located in a quiet cul-de-sac on Faheys Road West, the home is walking distance to the local shopping centre, cafes and parks. With bright and spacious living areas, private courtyards and beautiful garden areas, the home offers a range of single rooms, some with ensuites and companion rooms for couples and friends.

Many of our care team have been at the home for a number of years, providing **compassionate care** and support to residents. They include experienced clinicians, carers and hospitality teams looking after all aspects of a resident's care and offer **dementia** and **palliative care** services, which can be accessed for **short-term** respite care or a **longer stay**. The home offers a Memory Support Unit to provide a safe environment for residents requiring additional support.

Residents enjoy daily activities, which include regular visits from entertainers, weekly bible studies and songs of praise, exercise classes, bingo and arts and craft clubs.

Location

“I have only just become a volunteer at Estia Health Albany Creek and am touched to see how the lifestyle team help and support each other to make life as enjoyable as possible for the residents. Entertainment of various kinds, bus trips, outings, the love and care given to the residents by the Lifestyle team and so many others who spend hours each day wanting to make their life as comfortable as possible.”

Volunteer,
