Estia Health

Twin Waters

Welcome to Estia Health Twin Waters, part of our family of aged care homes located on Queensland's Sunshine Coast

Estia Health Twin Waters is a beautiful, resort-style home that opened in 2017, joining our other homes to offer choice of care and services to the Sunshine Coast community. Situated just off Ocean Drive, surrounded by the Twin Waters Retirement Village, close to the beach, golf course, public transport and shops.

The experienced clinicians, carers and hospitality teams look after all aspects of a resident's care, including **clinical**, social and overall wellbeing, and offer **dementia** and **palliative care** services, which can be accessed for **short-term respite care** or a **longer stay**. The home has a Memory Support Unit with a private garden to provide a safe environment for residents requiring additional support.

Residents enjoy spacious single rooms with ensuite and make the most of the home's many features, including an onsite cafe serving up barista-made coffee, a hairdressing salon, a well-stocked library and a number of activity spaces for the varied lifestyle program. The terraced community hub is an especially popular place for relaxing, watching a performance or enjoying the home's happy hour with friends.
