Strathalbyn

Welcome to Estia Health Strathalbyn, our aged care home located on the Fleurieu Peninsula, South Australia

Estia Health Strathalbyn is a warm and welcoming home set back from the road and running along the banks of the Angas River. It is walking distance from the shops and services of Strathalbyn town centre.

The experienced clinicians, carers and hospitality teams look after all aspects of a resident's care, including **clinical**, social and overall wellbeing, which can be accessed for **short-term respite care** or a **longer stay**. The home's Memory Support Unit provides a safe and supportive environment for residents requiring additional support.

Residents enjoy views of the Angas River from the home's main communal areas and gardens. There is a cinema room regularly used for movies, sporting events and telehealth appointments and a gym room used by visiting allied health professionals, including physiotherapists. Daily **activities** are tailored to residents' interests and hobbies and the onsite chef and team cook fresh daily to meet residents' preferences. Rooms are single with ensuite, many with lovely river views and others opening to the home's pretty landscaped gardens.
