Dandenong

Welcome to Estia Health Dandenong, our aged care home south east of Melbourne

Estia Health Dandenong is located close to Dandenong hospital, public transport and a vibrant multicultural shopping area and offers choice of care and services to the local community.

The experienced team of clinicians, care and hospitality teams look after all aspects of a resident's care including **clinical**, social and overall wellbeing and offer **dementia** and **palliative care** services, which can be accessed on a **short-term respite** or **longer stay**. Daily **activities** are tailored to residents' interests and hobbies and our onsite chef and his team cook meals fresh daily, based on residents' preferences.

From bright and spacious communal living areas with a feature fireplace to more intimate spaces, including a library, meditation room, and a private dining room overlooking the landscaped courtyard, are part of our renovated, comfortable home. A designated barbeque area with shaded seating and beautifully maintained gardens complete with raised garden beds, planters or pods offer a relaxing outdoor environment. Onsite parking is available for family and friends and we embrace the diversity within the home with many of our team bilingual.

Location

"I find the meals here at Estia Health do stimulate my appetite, the presentation of the food on the plate is good. The quality of the food (the high tea is a treat for all of us residents). I think I can speak for most of the residents when I offer compliments to all the kitchen team. Thank you"
